5212 Registered Sex Offenders

Inclusion on the state's sex offender registry alone is not a sufficient basis to exclude a student from school. The District reserves the right, consistent with Policy 5411, to determine the educational placement of a student who is listed on the state's sex offender registry.

For a student who is listed on the state's sex offender registry, the building principal may establish a safety plan, which may include excluding the student from extracurricular activities.
