

Policy committee meeting minutes 7/13/2020

Present: Jim, Shirley, Monica, Dale

Time: 4:00- 4:55 PM

First we discussed the plans for returning back to school safely in the fall. There will be new policies needed before school starts. In August, we will have to pass a resolution to “cover” any changes to our current policies. Jim has a meeting July 14 and will then update the committee. He is also attempting to pin NEOLA down on when we should expect some updates from them.

Then we discussed all of the communication regarding the mascot as well as the online petitions that are circulating on social media. Jim has drafted a press release which will be shared out before next Monday’s board meeting. We discussed policy implications surrounding the mascot issue.

Lastly we need two updates ** Karen **

Policy 3122- Please remove all specific names, list the titles only.

Policy 3123- Please remove all specific names, list the titles only, replace “Elementary Principal” with “Director of Student Services”

** Neither of these updates affects students, staff or the budget.

Next meeting: August TBD.
