First item:

- Reviewed 2019 board self-evaluation
- Our lowest score was in the category of Data Driven Decision-making.
 - Discussed how to improve our data driven decision making.
 - One idea, to review the CBA class on finance with regard to budget and negotiations.
 - Return to weekly Board Briefs.
 - Updates during the pandemic: sports, finance, fall outlook and or plans.
 - CDC guidelines as they progress and relate to us.
 - Graduation updates as the Governor makes changes.
 - Add a subcommittee during negotiations.
- We'd like to request our board books by the Wednesday before our monthly meeting to have better time to prepare.
- Request that the Superintendent and Board President review board book before publishing.
- During these unprecedented times we'd like Carol to be available for finance meetings.
- Further discussion on value of adding an Ad-hoc Negotiations committee

Second item: Board Goals

- First we celebrate completing the 2019 goal of all current board members being 100 certified!!!!

2020 Goals

- Recognize as many students as possible during the school year, from pre-school to high school. Science Olympiad, artists, geography bee, the gardeners, the band, the salmon growers, Sea Perch as well as athletes as many students as possible.
- Provide small gifts to our guests. i.e.- \$5 gift card – use board stipend to fund
- The board will strive to be more visible at events. Would like Karen to provide District Activity report to the board on Friday with upcoming week events. Adam can place this update on board site so board can communicate when attending.
